Sima Demir

UX & UI Designer

As a highly skilled and creative UX/UI designer with 4 years of experience at prestigious companies like Trendyol Group and Yapı Kredi Teknoloji, I am dedicated to user-centric products, refining my expertise in user research, wireframing, and prototyping. With a comprehensive understanding of the design process, I'm passionate about leveraging the power of design and technology to create impactful user experiences. I'm constantly seeking opportunities to expand my knowledge and skill set, and excited to contribute to innovative projects that push the boundaries of design.
